Item 8 of the provisional agenda*
Provisional agenda and dates for the thirty-seventh session of the Commission

Provisional agenda and dates for the thirty-seventh session of the Commission

Note by the Secretariat

1. The Economic and Social Council, in its resolution 1894 (LVII), requested the Secretary-General to submit, at each session of a functional commission or subsidiary body of the Council, a draft provisional agenda for its following session, and to indicate the documents to be submitted under each agenda item and the legislative authority for their preparation.

2. In its resolution 1979/41, the Council decided that the provisional agenda for its subsidiary bodies, together with the list of requested documentation, should be submitted to it for its review in order, inter alia, to establish greater consistency between the documentation of those bodies and the overall documentation requested by the Council and other subsidiary bodies, and greater consistency between the requests for documentation and the medium-term plan and the programme budget.

3. In its resolution 1982/50 on the revitalization of its work, the Council endorsed the recommendation of the Secretary-General that the documentation and programme of work of its subsidiary bodies should also be streamlined in order to enable them to perform effectively the functions entrusted to them.

4. The draft provisional agenda will be modified at the present session in the light of resolutions and decisions adopted and requests made by the Commission during the present session, and will be submitted to the Council for review in accordance with its resolution 1979/41.
